## SECTION I - STATUS OF REQUIRED UTILITY RELOCATION(S):

A. None Required

(or)

B. All utility work has been completed. Arrangements have been made with the owners of facilities listed in Section II (on next page) that will remain within the right of way of the project, so that adequate control of the right of way will be achieved.

(or)

C. All utility work will be completed by a stated date prior to award of the contract. Arrangements have been made with the owners of facilities as listed in Section II (on next page) that remain within the right of way of the project, so that adequate control of the right of way will be achieved.

(or)

D. All necessary arrangements have been made for the completion of remaining utility work required to be coordinated with project construction as listed in Section II (on next page). Arrangements have also been made with the owners of facilities shown in Section II (on next page), which are not impacted by the project and which will remain within the right of way of the project, so that adequate control of the right of way will be achieved. Our contract special provisions provide for their coordination.

(or)

E. Utility facilities which are not in physical conflict with the proposed project construction, but have been determined to be a fixed object in conflict with CURE requirements, are identified by an asterisk in "CURE Conflict" column in Section II (on next page). (See Section 13.03.04.02.)
